

SUPPORT THE TROOPS

This year, The Sycamore Tree has decided to help Support the Troops for our Thanksgiving Turkey Trot Fundraiser. Support the Troops was founded in Hartford could use our help stocking some care packages for the troops this Christmas season!

Below are some suggested items that they need or could use (absolutely NO aerosol cans). Please help us out and donate your items in the boxes by the main office before **Friday, November 29th**. Every little bit helps! Don't want to donate an item but prefer to give a monetary donation? The money will be used for the postage to send these items overseas. Thank you for your support!
